The Managing Director,
State Bank of Hyderabad,
Gunfoundry,
Head Office,
Hyderabad.

Dear Sir,

Re: Group Medclaim Insurance with UIIC Ltd.
H.O.Cir.No.PER/2016-17/69 dt.17/10/2016

We thank you very much for having considered our request for sanction of Demand Loan to meet the payment of Insurance Premium to the needy pensioners.

In this connection, we bring to your kind notice that most of the pensioners are not aware of the Medical Insurance scheme details i.e. Introduction of Domiciliary Treatment and increase in premium amount since they have not received any communication about the change in the Medical Scheme.

We therefore request you to advise the concerned department to consider the following points favourably which will benefit most of the retirees.

- 1) Erroneous debits Viz.Option 2 instead of option 1 and vice versa if any in the accounts may be reversed.
- 2) To refund the debited amount for those who are not interested in continuation of the insurance scheme.
- 3) To consider the request for giving consent for option 2 since they are not aware of the changes in revised insurance scheme.

We understand that the intimations were received by some of the members through SMS detailing the information of the insurance scheme as advised in the above circular only on 28-10-2016.

In view of the above, we request you sir to kindly extend the time for 15 days for submission of option letters to enable all the pensioners to avail this facility.

Thanking You,

Yours faithfully

PRESIDENT
